FASTLANE PROJECTS
PROPERTY MAINTENANCE SPECIALISTS

WHO IS FASTLANE PROJECTS

Fastlane Plumbing and Paint Maintenance was founded in 2008 as a company that specialize in domestic plumbing and paint maintenance. With the growth of the company , our services diversified and specialists were employed to provide a top level of service. It was deemed necessary to update our logo and company profile to include various new services on offer. Fastlane Projects was created as a young dynamic company which strives to provide good quality services at reasonable prices. We take pride in ensuring customer satisfaction and get personally involved in every project we undertake.

Fastlane Projects as a one-stop company can satisfy all your general maintenance needs by providing the following services : Plumbing, Painting and Waterproofing, Kitchen and Bathroom Renovations, Tiling, Ceilings and Dry – walling, Steelwork, Laminated Flooring and Building Alterations
